Subject: RE: BCP Ingredients CAA 112(r) Inspection

Got it. I'll forward this to the BCP team, who has not seen the report. Note, Greg's name/e-mail is spelled incorrectly so that's likely why he didn't receive it (it doesn't have an "e" at the end - ghenthorn@balchem.com). Employees on-site in Verona are confirming it was not received via mail, but so far, I don't believe anyone has seen it.

I haven't read the entire report yet, but we would like to make sure there is no CBI in the Report or attachments before it becomes publicly accessible. I don't see that the inspection report had a specific response time, but we request time to review, which we will do quickly, before the report is disseminated. If it is helpful, here is an FTP link to upload the attachments: Ex. 6 Personal Privacy (PP) I'm happy to use a One Drive if that's easier.

I'm also copying Kristen Ellis Johnson, another attorney in our office. Please copy her on future correspondence related to BCP. Thanks.
